# ABOUT US

**Fine Wood Industry is a leading supplier of high-quality agricultural products, based in Saharanpur, Uttar Pradesh. Established in 2015, our company is dedicated to delivering fresh, nutritious, and diverse varieties of rice, fruits, and vegetables to our clients. Our extensive product range includes different varieties of rice and seasonal fruits like bananas, apples, kiwis, guavas, and mangoes. We also provide vegetables such as green chili and onions, known for their fresh taste and excellent quality. Over the years, Fine Wood Industry has built a reputation for being reliable, trustworthy, and customer-focused. Our team is committed to ensuring that every product that leaves our facility meets strict quality standards, reflecting our dedication to excellence.**
